

# MILOR

## Mild cleansing milk for all surfaces

### Area of application

MILOR is suitable for use in kitchens and for building cleaning. Applicable on hotplates, pots, frying pans, extractor hoods and on synthetic surfaces, aged varnishes, stainless steel, calciferous stone, ceramic and enamelled surfaces.

It is an ideal lime scale solvent for use on all acid-sensitive surfaces, such as marble and terrazzo (e.g. marble window sills, marble panelling in bathrooms).

### Application

Apply MILOR undiluted directly to the surface to be cleaned or use a scratch-free cleaning sponge with a shot of undiluted MILOR on it. Lightly spread the cleanser over the surface by wiping without applying pressure. Then rinse with water and take up residues with a clean cloth.

### Product characteristics

- Mild and efficient cleanser for all heavily soiled surfaces
- Removes oil, grease, soot, encrustations, lime scale, food residues on kitchen surfaces
- Highly effective – scratch free

### Technical information

Carton of 20 x 500 ml bottles

order No. 00158
