

★ **easy**
QUICK

Non-surfactant maintenance cleaner for waterproof, microporous surfaces and stoneware

Area of application

EASY QUICK can be applied to waterproof surfaces, objects and textiles such as carpet and upholstery. Removes all greasy dirt, particularly suited on microporous surfaces, in particular stoneware.

Application

Depending on water hardness, apply 0.1 to 20 %. It is applicable for manual and machine cleaning. Optimal cleaning effect, when using microfibre fabrics.

Product characteristics

- Applicable for all machine and manual cleaning processes
- Free of any surfactants, enzymes and optical brighteners
- Residue free cleaning
- Ideal for use with microfibre textiles
- No re-soiling due to cleaning residues
- Free of fragrances and colourings
- Retains functionality of most modern fibres
- Excellently suited in combination with modern fibre- and pad-types, e.g. made from microfibres

Note

Before starting work, test compatibility of materials on inconspicuous locations. Do not apply on polymeric coated floorings. Not suited for high gloss surfaces.
