

neodisher[®] sol

Cleaning dispersion for surfaces

Ready-for-use solution

Fields of application:

- Manual cleaning of tableware, pots, surfaces, hobs and sinks in all food processing areas such as professional kitchens, butcher's shops and bakeries

Performance Spectrum:

- Gentle but powerful removal of stubborn residues such as limescale and fat deposits without leaving scratches
- Suitable for the removal of stainless steel abrasion on porcelain and anodized aluminium abrasion from anodized aluminium surfaces, e.g. instrument containers, trolleys
- Suitable for stainless steel, glass, ceramic, porcelain, plastic, aluminium and enamel as well as ceramic hobs
- Shiny, lacquered surfaces must be tested first
- Not suitable for sensitive surfaces and acrylic glass

Special properties:

- Powerful and gentle cleaning action
- Free of quartz
- Easy to rinse off

Application and dosage:

Directly apply neodisher sol undiluted onto the surface to be cleaned or apply with a moist cloth and wipe the surface to be cleaned. When cleaning stainless steel surfaces scrub in grinding direction. Then thoroughly rinse the surface with fresh water.

Do not use neodisher sol on hot surfaces. The working temperature should not exceed 60 °C.

General instructions on use:

- For professional use only!
- Surfaces that come into contact with food must be rinsed with drinking water after each cleaning and disinfection to remove residues.
- Do not mix with other products.

Technical data:

pH range	7 - 10 (concentrate, 20 °C)
viscosity	> 2,000 mPas (concentrate, 20 °C)
density	1.3 g/cm ³

Ingredients:

Ingredients according to Regulation (EC) No 648/2004 on detergents:

< 5 % anionic surfactants, non-ionic surfactants
also: perfumes,
preservatives (benzisothiazolinone,
methylisothiazolinone)

Storage information:

Always store at a temperature between 0 °C and 30 °C.

Hazard and precautionary statements:

neodisher sol is not a hazardous product according to CLP Regulation (EC) No. 1272/2008.

If applied according to the instructions for use, the product is safe according to the appropriate guidelines for food processing.

Dispose only when container is empty and closed. For disposal of product residues, refer to the Safety Data Sheet.

neodisher[®] sol
