CORRIDOR® COMPLETE S 732

Multi-purpose emulsion, glossy

Application and dosage

Wiping care:
150 ml / 10 l water

Cleaners:
1:1 with water

Requirements:
The floor covering must have been subject to a basic clean, rinsed with clean water and dried. The floor covering must be free from surfactants.

Coating:
neat
Thinly apply 2-3 coats of the product; each coat must be allowed to dry thoroughly.

For absorbent floor coverings such as old linoleum coverings, pre-treatment with Corridor® Basic S 720 is recommended. Using the product with Corridor® Basic S 720 significantly improves the look, lifespan and adhesion of Corridor® Complete S 732 on these coverings.

Note

Protect against frost. Switch off heat sources (radiators, underfloor heating, etc.) before processing. Avoid direct sunlight. Always use cold water.
